REQUEST FOR CORRECTION OF FILING RECEIPT

Office of Initial Patent Examination
Commissioner for Patents
Customer Service Center
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A copy of the Filing Receipt for the above-identified application is attached. The filing receipt fails to list all priority data information. A corrected filing receipt is requested.

Applicants respectfully note their Requests for Correction of Filing Receipt mailed April 16, 2004 and November 17, 2004 were improperly denied. The reasons for the rejection were that "A claim for priority cannot be made based on an application filed after the application making the claim." Applicants are not attempting to claim priority to an application filed after the present application. Applicants are simply attempting to correct the filing receipt to show the proper priority listed in paragraph 1 of the present application.

A response to the November 17 Request was mailed December 2, 2004. Applicants' representative, Christine Orich, spoke with the Customer Service Center on December 7, 2004 and discussed the changes to the priority date set forth below.

The filing receipt should read as follows:

This application is a DIV of 09/750,741 12/29/2000 PAT 6,658,680
which claims benefit of 60/173,428 12/29/1999

This application is a CON of 09/751,031 12/29/2000 PAT 6,691,346

which claims benefit of 60/173,428 12/29/1999

This application is a CON of 10/657,696 09/08/2003
which claims benefit of 60/408,698 09/06/2002
and claims the benefit of 60/409,748 09/11/2002
and claims benefit of 60/489,171 07/22/2003
and claims benefit of 60/490,467 07/28/2003

Respectfully submitted,
